

About Me

As a passionate creator, I thrive on bringing clients' visions to life, whether on set or in post-production. My expertise lies in transforming ideas into stunning visual narratives that captivate audiences. Collaborating closely with clients, I ensure their concepts are realized with precision and creativity, resulting in compelling and impactful projects.

DREW MARSH

Producer and Creator

Experience

FRESH TAPE MEDIA

June 2022 - Present | Denver, CO

Associate Line Producer / Post-Production Coordinator

June 2024 - Present

- Assist the production team in all pre-production planning efforts including but not limited to budgeting, staffing, location scouting, etc.
- Effectively manage all post-production projects, ensuring seamless workflow and high-quality output.
- Skillfully manage client expectations regarding deliverables/deadlines, fostering long-term business relationships.
- Implement efficient deliverable and project tracking systems to maintain organization across multiple projects.

Associate Producer

June 2023 - April 2024

- Led the complete production process from brainstorming and pitching to lighting design, talent management and production, ensuring cohesive and engaging content.
- Developed new processes to organize and track internal equipment, improving operational efficiency.
- Successfully managed multiple projects simultaneously, ensuring client satisfaction and timely delivery.
- Oversaw the design and construction of production sets, enhancing visual storytelling
- Consistently met deadlines, delivering high-quality projects on time and maintaining a reputation for reliability.

Junior Producer

June 2022 - June 2023

- Assisted in all stages of production, from brainstorming to post-production, ensuring smooth project execution.
- Served as a Production Assistant, Videographer, and/or Producer on set, gaining hands-on experience in various roles.

LOUISIANA STATE UNIVERSITY ATHLETICS

July 2020 - January 2022 | Baton Rouge, LA

Manager of Post-Production, Football

- Managed all post-production activities, including motivational videos, highlight reels, and recruiting content.
- Worked closely with athletics staff to produce engaging social media content, boosting audience engagement.
- Partnered with football staff to create tailored video content that met coaching requirements.
- Demonstrated exceptional time management skills by consistently meeting tight deadlines without compromising quality.

FOX SPORTS

Summer 2019 | Los Angeles, CA

Digital Content Production Intern

- Produced and executed digital and social content in strategic ways to increase profile engagement and establish a greater social presence of over 1M followers combined for all of the FS1 studio shows.
- Served as a PA during remote FOX Sports video shoots involving talent, special guests, and athletes.

INDIANA UNIVERSITY ATHLETICS

August 2016 - May 2020 | Bloomington, IN

Creative Production Intern, Men's Basketball

- Produced content for IndianaMBB social media platforms, driving engagement and supporting recruiting efforts.
- Managed real-time editing during games, delivering high-quality content within 24 hours of game completion.
